OPINION

Pursuant to 42 U.S.C. § 1983, plaintiff, a state prisoner, filed this lawsuit complaining that the defendant correctional officers assaulted him and placed him in segregation without just cause. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that plaintiff's case be dismissed without prejudice for failure to comply with an order of the court and to prosecute this action. There are no objections to the recommendation. After an independent and de novo review of the record,

the court concludes that the magistrate judge's recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 30th day of November, 2017.

UNITED STATES DISTRICT JUDGE
